

TEE OFF 23

FOR BREAST CANCER TRIALS

Helping to
save lives today,
tomorrow and forever.

Coral Cove Golf Club

Dear Golfers,

Since 2019, the Robe Golf Club has been enjoying the annual Tee Off for Breast Cancer Trials fundraising event. The club also holds many other fundraising activities over the month of October, all of which also go towards Breast Cancer Trials research. Each year we have been delighted with the funds we have raised.

We are constantly trying to think outside the box and come up with new fundraising ideas, providing fun activities while donating to such a worthy cause. Many of us know of or have been affected in some way by breast cancer, therefore holding fundraising activities which see the proceeds go towards this research comes with great support from the Robe community.

This year we held a 4 person Ambrose, including our male players who were very keen to represent in their pink attire. This included non-golfers, who actually found this very enjoyable, while also encouraging new players to join our club.

Our Auction was greatly supported by local businesses with this raising over \$7,500, along with our lucky squares. We had our fundraiser tins out in the Club for the month of October for those who couldn't play on the day or just wanted to donate. Our weekly Friday Night Raffle at the Robe Hotel was well supported and raised over \$1,800.

It was wonderful to see the sea of pink on the course, and we even turned our flags pink for the day! Carts have now been added to our pink theme and it seems we have a contest on our hands for years to come.

Our goal continues to be to raise as much money as we can each October to support Breast Cancer Trials research. It is so wonderful to see the whole golfing community in Robe get involved and support the Tee Off Committee in organising these great fundraising events. We look forward to seeing what we can raise in 2023!

Sincerely,
Heather Tucker

What your support means

Tee Off is a national initiative where clubs all over Australia are invited to combine their love of golfing with their passion to raise funds for breast cancer clinical trials research.

By hosting a Tee Off event, you'll be supporting Australia's only independent, collaborative breast cancer clinical trials research program and you'll be guaranteed of four things:

- You'll be saving lives from breast cancer today, tomorrow and forever.
- You'll be helping every woman affected by breast cancer get the treatment they need to get on with living and loving their lives.
- Your donations will be used wisely.
- You'll be supporting a unique research activity – clinical trials.

Clinical trials are the critical step in the research process that can lead to breakthroughs in the treatment and prevention of breast cancer. They test the safety and benefit of new treatments before they can be made widely available to those who need them.

Your Tee Off event

Join fellow golfers in Australia's premier charity golf event in 2023.

Holding an event is easy!

- Step 1:** Nominate a day in your golfing calendar to 'Tee Off for Breast Cancer Trials'
- Step 2:** Register your event using our event registration form found at the back of this brochure or online at breastcancertrials.org.au/fundraise/tee-off
- Step 3:** Invite your members and members from surrounding golf clubs to play a round of golf and help raise funds for breast cancer research.

Fundraising ideas and inspiration:

- Hold a luncheon, or morning or afternoon tea
- Ask your members to wear pink and hold a best dressed competition
- Charge an entry fee to play golf
- Seek support and sponsorship from your local community
- Conduct a raffle and ask local businesses to donate prizes
- Sell our merchandise
- Ask your club's golf professional to take a shot on a particular hole for your players for a donation

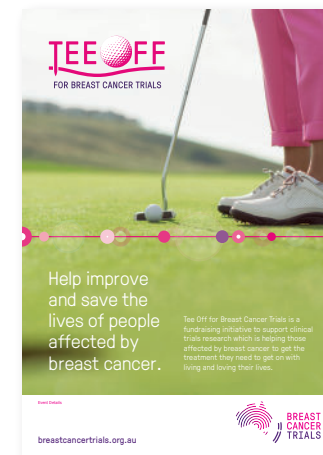

The format of the day is entirely up to you!

How we can help
