

58km in September Dog Walk Challenge Help Article

I have accidentally deleted/ended my fundraiser (no donations were received)

Unfortunately, once a fundraising page has been deleted from Facebook, we are unable to re-activate your fundraising page, this includes pages that had received donations.

To create a new fundraising page, please re-register through this link:

<https://fundraise.breastcancertrials.org.au/fb/58km-sep-challenge>

I have accidentally deleted/ended my fundraiser (donations were received)

Unfortunately, once a fundraising page has been ended or deleted from Facebook, and that fundraiser has received donations already, we are unable to re-activate your fundraising page or create a new challenge specific fundraising page.

To be able to continue fundraising you will need to create a new fundraising page via the Breast Cancer Trials Facebook page.

If you would like to proceed with this, please follow the steps below:

1. Visit: <https://www.facebook.com/BreastCancerTrials/fundraisers>
2. Click 'Raise Money' in the top right-hand corner
3. This will now generate a Breast Cancer Trials fundraising page for you, and you can edit the details including the title, fundraising target and the description.
4. We recommend updating the 'when should your fundraiser end' to the 31st October 2025 (to align with the challenge fundraising pages).
5. And update the title of your fundraiser to: I'm doing the 58km in September Dog Walk challenge to support breast cancer research.
6. If you like, you are more than welcome to update the 'why are you raising money?' section to the below to make it more about the challenge, or you can keep as is:

Please support me! This September, I'm taking part in the 58km Dog Walk challenge for breast cancer research to save lives.

Did you know that 58 people are diagnosed with breast cancer every day?

I am trying to raise funds for Breast Cancer Trials to support life-saving research and help more mums, sisters, aunties, grandmas and friends survive this terrible disease.

It would mean so much if you'd make a donation to support my challenge today - THANK YOU!
