2025 season wrap up

We're proud to share that over \$290,000 was raised during our 2025 season, bringing our total since 1996 to an incredible \$4 million.

This achievement was only possible thanks to the dedication of all clubs, past and present, who stepped onto the green in support of our life-saving research.

A heartfelt thank you to the clubs listed below, and the many others, who generously hosted a Tee Off event in 2025. Together, we're driving life-saving breast cancer research forward.

Hosting a Tee Off event

Tee Off is a national initiative where clubs all over Australia are invited to combine their love of golf with their passion to raise funds for breast cancer clinical trials research.

Getting involved is easy!

Pick a date

Nominate a day in your golfing calendar to 'Tee Off for Breast Cancer Trials'.

Get planning

Register your event with us and decide how you're going to make the day extra special. The format of the day is up to you!

Make a difference

Invite your members and surrounding clubs to play a round of golf and raise funds for breast cancer research.

Fundraising inspiration!

- Hold a luncheon, morning or afternoon tea.
- Charge a donation entry fee.
- Dress up in pink and decorate golf carts.
- Seek support from your community.
- Host a raffle and ask local business to donate prizes.

"Many of our members have been touched by breast cancer, which is why we proudly support Breast Cancer Trials through Tee Off. With over 90 golfers and incredible community support, the day raised more than \$14,000 - our biggest result yet, and one we're determined to beat." - Phillip Island Golf Club

What's included

Once you register, we'll provide everything you need to make your Tee Off a success, including:

- Promotional posters
- Balloons
- Information flyers
- Merchandise for purchase
- Fundraising ideas and support
- Guidance for approaching community sponsors and media

How to register

Scan the QR code, visit breastcancertrials.org.au/fundraise/tee-off, or complete the form on the back page and return it using the reply-paid envelope.

Register your event as soon as possible so we can send your promotional materials in plenty of time.

Why support Breast Cancer Trials

Breast Cancer Trials is one of the world's leading breast cancer research organisations, dedicated to finding new and improved treatments and prevention strategies for people affected by this disease.

Clinical trials are the only way to identify new treatments and ensure they can reach all Australians living with breast cancer.

Our team of more than 1,000 researchers lead clinical trials that create the breakthroughs people in your community rely on today, and the ones that will save lives tomorrow.

Because every day, 56 Australians are diagnosed with breast cancer, and nine families lose someone they love.

By hosting a Tee Off event, your club helps reduce that heartbreaking toll. You're bringing more effective treatments, less side effects, and brighter futures to communities just like yours.
